

DISTRICT 6960 2018-2019 DISTRICT REGIONAL COMMUNITY ROTARY PROJECT

District 6960 anticipates approving one (1) Regional Community Rotary Project for the 2018-19 Rotary Year with a District Contribution of up to **\$50,000.00**.

Procedure

1. Project proposed must be received by DRFC, *Pete Doragh* by June 15, 2018
Email address: Pete.Doragh@DoraghLawFirm.com Telephone Number: (239) 425-3644
2. One Club must serve as the Lead Club responsible for all management, administration, number funds, record keeping, and reports.
3. The District Grants Committee will approve the selected project. No work or expenditure may begin before approval by The Rotary Foundation. It is not anticipated work will be permitted to start before September 1, 2018.
4. The District Grant Committee reserves the right to reject all submitted proposals.
5. This Project will not affect other club District Grant requests.
6. District 6960 will match club contributions to the project dollar for dollar up to the approved amount.

Criteria

1. Lead Club must be certified to participate in District Grants.
2. Project must be located within District 6960, and serve District 6960.
3. Project must be a Rotary Project, or a distinct Phase of a Rotary Project.
4. Project must stand on its own, i.e unfunded future work or phrases must not be required for the project to be useful.
5. The Lead Club must maintain a separate project only bank account for the project with check signing established satisfactory to the District Treasurer, who may co-sign checks.

Limitations

1. The rules of the Rotary Foundation must be met.
2. Funding will be no more than 50% of the actual out of pocket project costs.

Priority

The Committee cannot express all criteria that may be used to select a project. However it expects to consider at least the follow:

1. The benefit to be derived to the commitments by the project.
2. The number of persons beneficial
3. The uniqueness of the benefit, and the degree to which Rotary participation is essential.
4. The permanency of the Benefit.
5. The public and community profile of the project.
6. The Rotary branding potential for the project.
7. The Public relations appeal of the project.
8. The source of maintenance for the project other than Rotary.
9. The Degree to which planning, and formatting, for the project, if any, is complete or assured.
10. The length of time projected from project approved to completion
